Dedication

To Mr. Joe Higgenbotham, who since 1936 has devoted his efforts to the well being of Woodward High School and its students, we dedicate this annual. With the exception of time spent in the Armed Forces, Mr. Higgenbotham taught for twelve years until his 1948 elevation to principal. It was in that position he gained the respect of the entire student body.

Last Will and Testament of the Graduating Class Of 'Fifty-One

We, the Seniors of Fifty-One,
Whose High School days are nearly done,
Want to be generous to the rest,
So to the Underclassmen we made this bequest.

First, to the Juniors we will and bequeath
The Seniors' traditional laurel wreath
For tackling their studies with vigor and vim,
So hopes of graduation never will dim.

As for the Sophomores, a great plucky tribe,
The win in each contest we to them ascribe,
And may they never fail to work very hard
In trying, just trying, to attain our high standard.

Alas, to the Faculty, we sadly bid "Adieu"!
For they have been pals all the way through.
'Tis with regret we return to them the rule,
The leadership, and the entire run of the school.

We feel that if we were to depart
Without leaving some gift from each Senior's great heart,
Old WHS would not be the same,
So here are some souvenirs of our world-wide fame.

* * * * *

To Charleen, Sam Gann leaves his multiple love-life
In hope she won't have quite as much strife.
The ability to hold a class office to Donnie
Is bequeathed by our ravishing red-headed Connie.

Gwen leaves her talent as drum major
To Beverly; and as Number One cager,
John Goetzingen bequeaths to Bob
The ability to do a fine playing job.

Jimmy Andress, who makes everyone smiley,
Wills his 2x2 car to Mr. Riley.
Carmon Barnett, doorman at the Woodward show,
Wills that to Kenny, when now he must go.

Veralee gives her subtle way to catch a man
To any Junior girl who thinks she can!
And Bob Robinson, that lucky li'l guy,
His FFA presidency to any boy who will try.

Ramona Mae Myers, a cheerful lass,
To Doris Clark her smiles do pass,
And Signe, with her hair of light tan,
Gives her bottle of H2O2 to dark-haired Joann.

To Ynona from Bob Chalmers, all his worldly goods
And even himself--(that's what I understood!)
Norma gets her quiet unassuming ways
From Eileen--now one of those Days!

Duane Lehman, his ability to bear all jokes' brunt
To Orley, who grew up to be a runt.
To Forrest Allen, the lucky penny
That was used in football toss-ups by Bennie.

Dennis, our strong arm expert,
Gives to Wesley his masculine idea of "flirt",
Helen, '51 wearer of the Football Crown,
To the lucky Junior girl hands it down.

Robert L. Rives wills his "Big Wheel" talent and fame
To John Riley, who's likely to be just the same.
Nylene gives her far-away glance
To Mary Joe, to keep her man in a trance!

Her smile does Donna Ball to Dorothy bequeath
And to Rex M. comes a red plush head from Frank Heath.
Dan gives his innocent eyes to Gene Queen
To captivate teachers when they're all apleam.

Kenneth leaves his "Heartbreaker" rating
To any cute boy who gets along without dating.
Barbara Worden, the "Nicest of Them All",
Wants Marilyn Sheets to answer that call.

F.F.A.

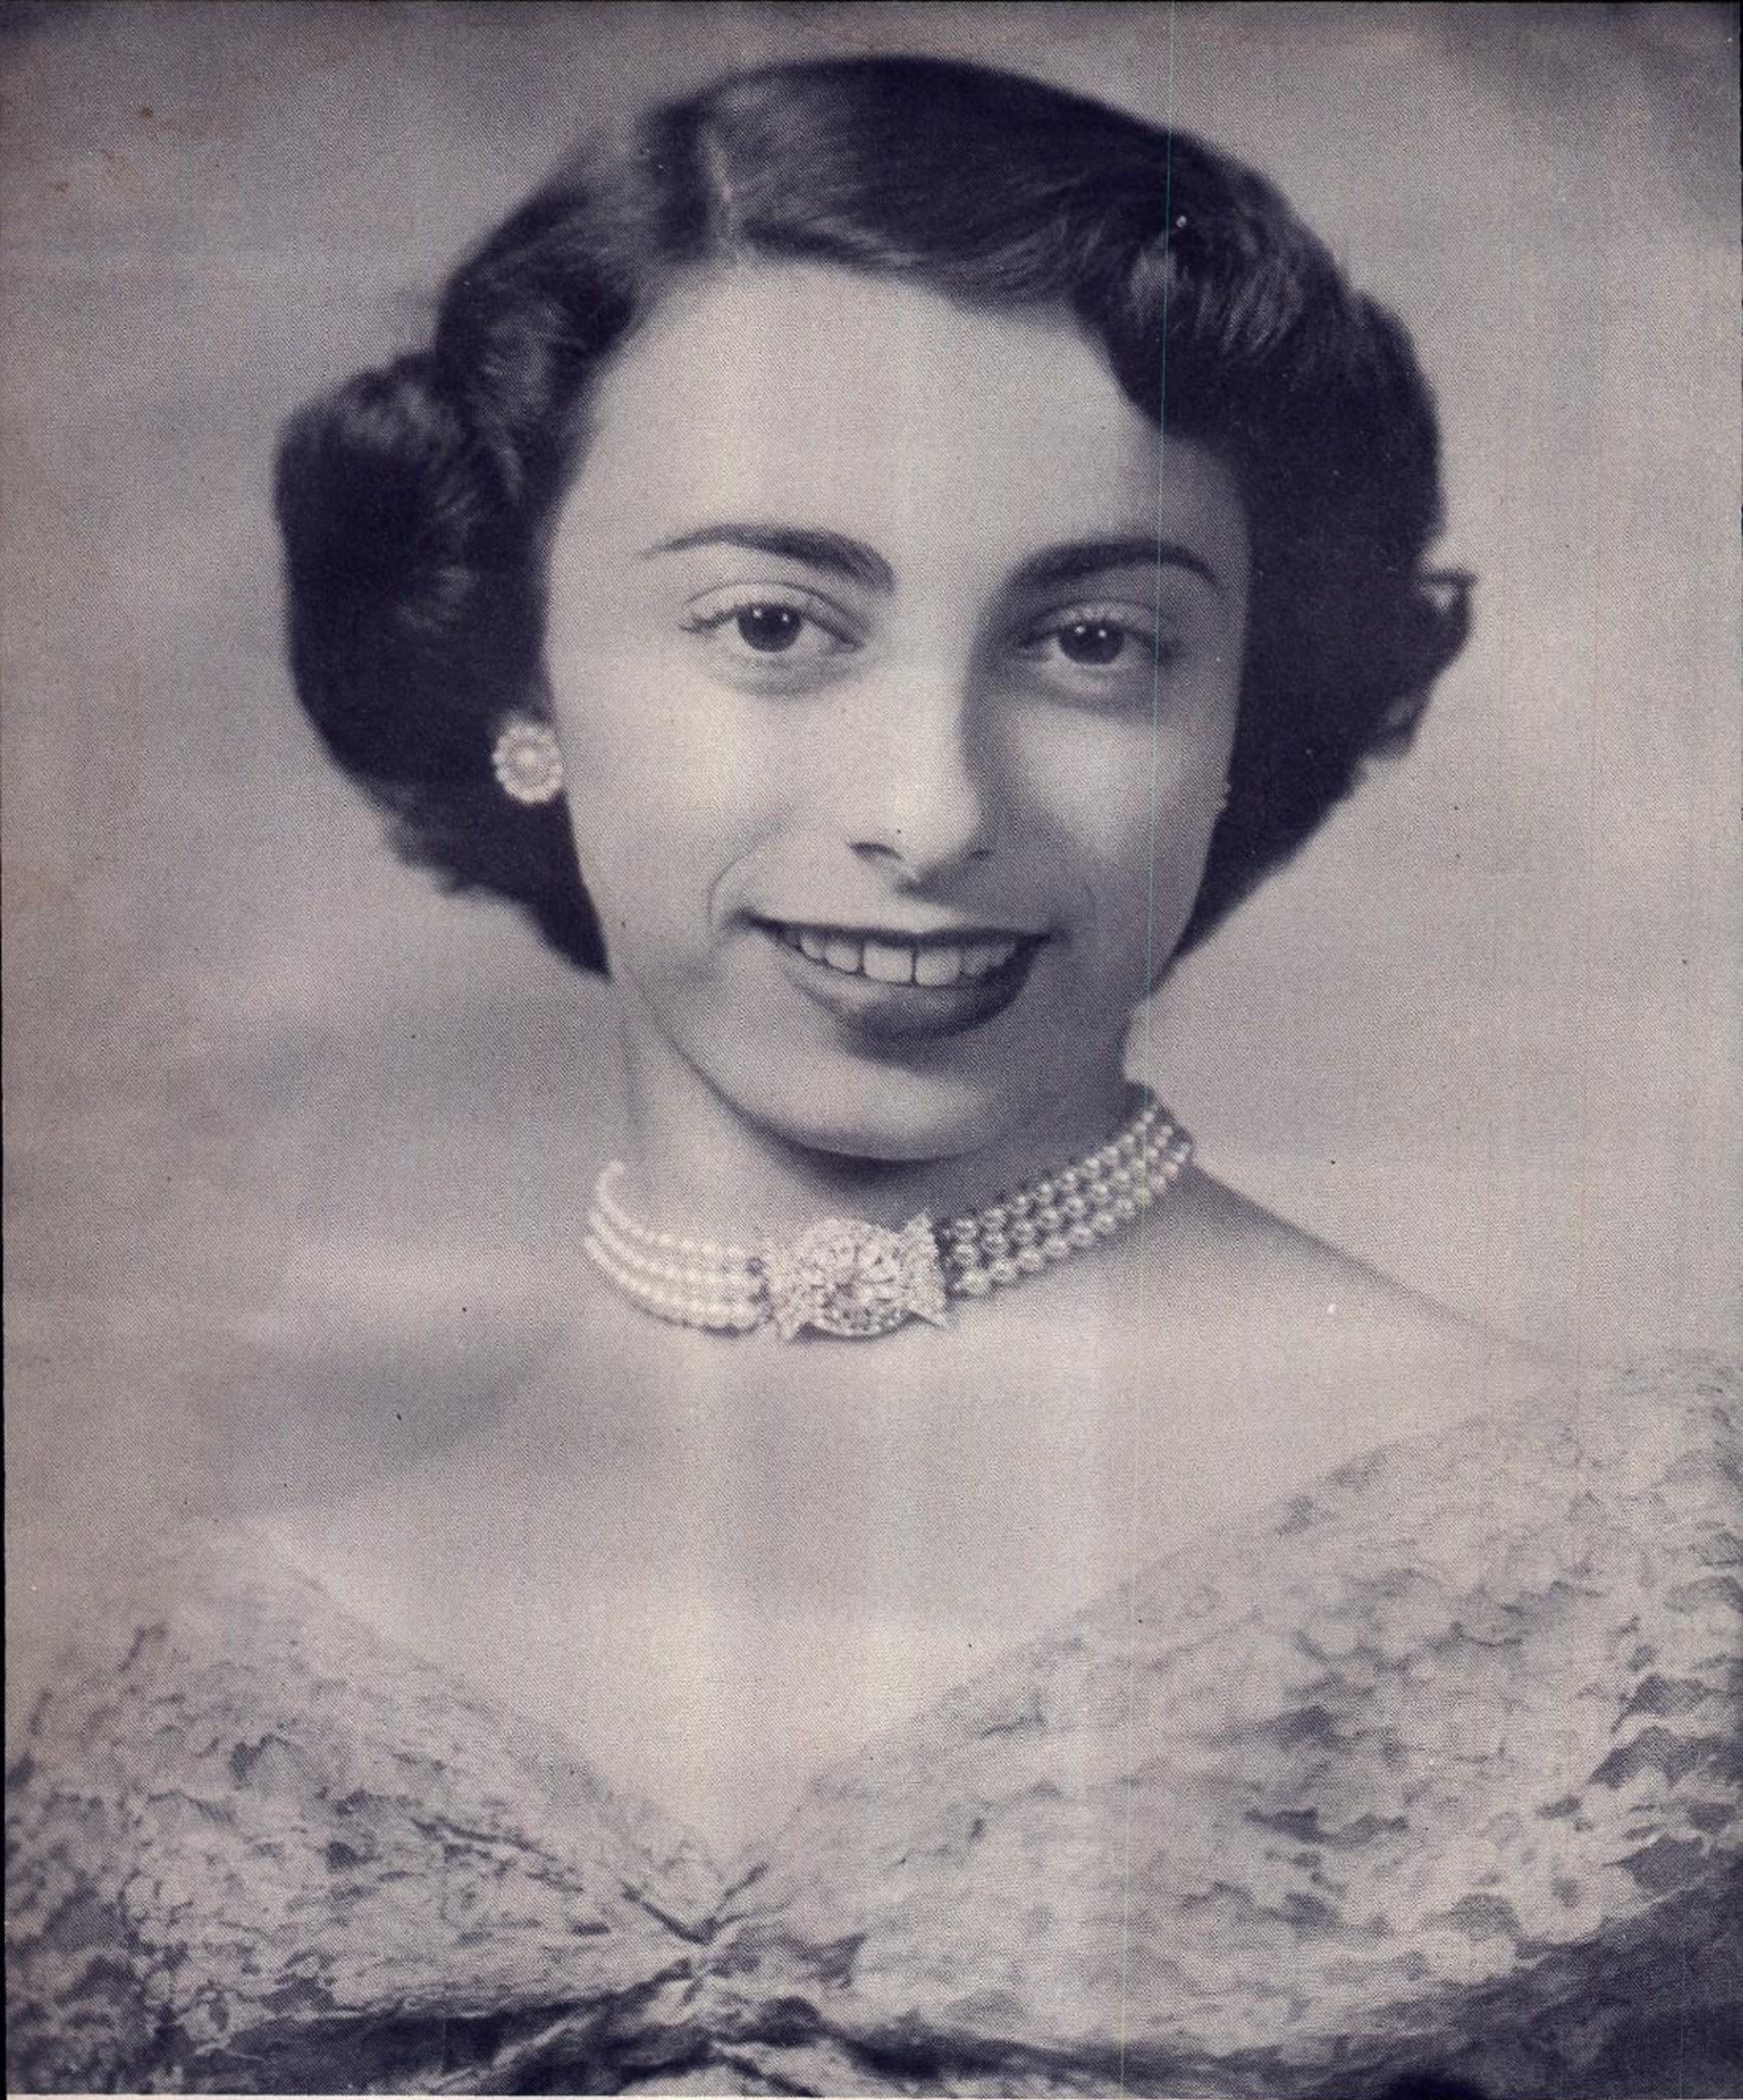

During the School year 1950-'51 there have been 45 boys enrolled in Vocational Agriculture and the Future Farmers of America. Officers for this year have been: Bob Robinson, President; Dwight Van Dorn, Vice-President; Marvin Wells, Treasurer; Don Merrill, Reporter; J. D. Barnett, Secretary, and Everett Hunter, Sentinel. Group activities participated in this year were varied from farming 160 acres of wheat ground to mixing feed co-operatively. The boys raised 1,000 bushels of wheat this year on the F.F.A. farm and successfully cleaned, sacked, and sold the wheat for seed purposes to farmers in the community. Enough profit was made from farming to purchase a new 12 foot one-way to be used in their farming operations. Plans are in order this year to farm all of the Air Base with the idea in mind of using scientific farming methods in all operations.

One of the highest honors during the school year came in February when Marvin Wells showed the Champion Crossbred lamb in the San Antonio Fat Stock Show that sold for \$10.50 per lb. The lamb brought well over \$1,100.00. This year the F.F.A. boys fattened out 47 head of barrows, 12 calves, and 15 lambs for Fat Stock Shows. We showed the first place group of calves and the second place group of lambs at the Woodward Fat Stock Show. John Riley, and Bob Endersby showed first place barrows at Woodward. In the Oklahoma City Fat Stock Show, Marvin Wells showed the second place Shropshire Lamb and the third place light Hereford steer. Our school group of calves was fifth among 14 county and school groups.

Our livestock team placed seventh at the Oklahoma State Fair in September. At the Goodwell judging contests we had the first place livestock team composed of Everett Hunter, Dwight Van Dorn, and Bob Robinson--Everett Hunter was high individual in the contest. Billy Rutledge was high man in Dairy judging, and LeRoy Tune won first in Meats judging and a medal for being the best all around judge at the Goodwell show. In the livestock contest held in Woodward in March, Bob Robinson won a medal for being the best all around cattle judge and Everett Hunter for being the best sheep judge.

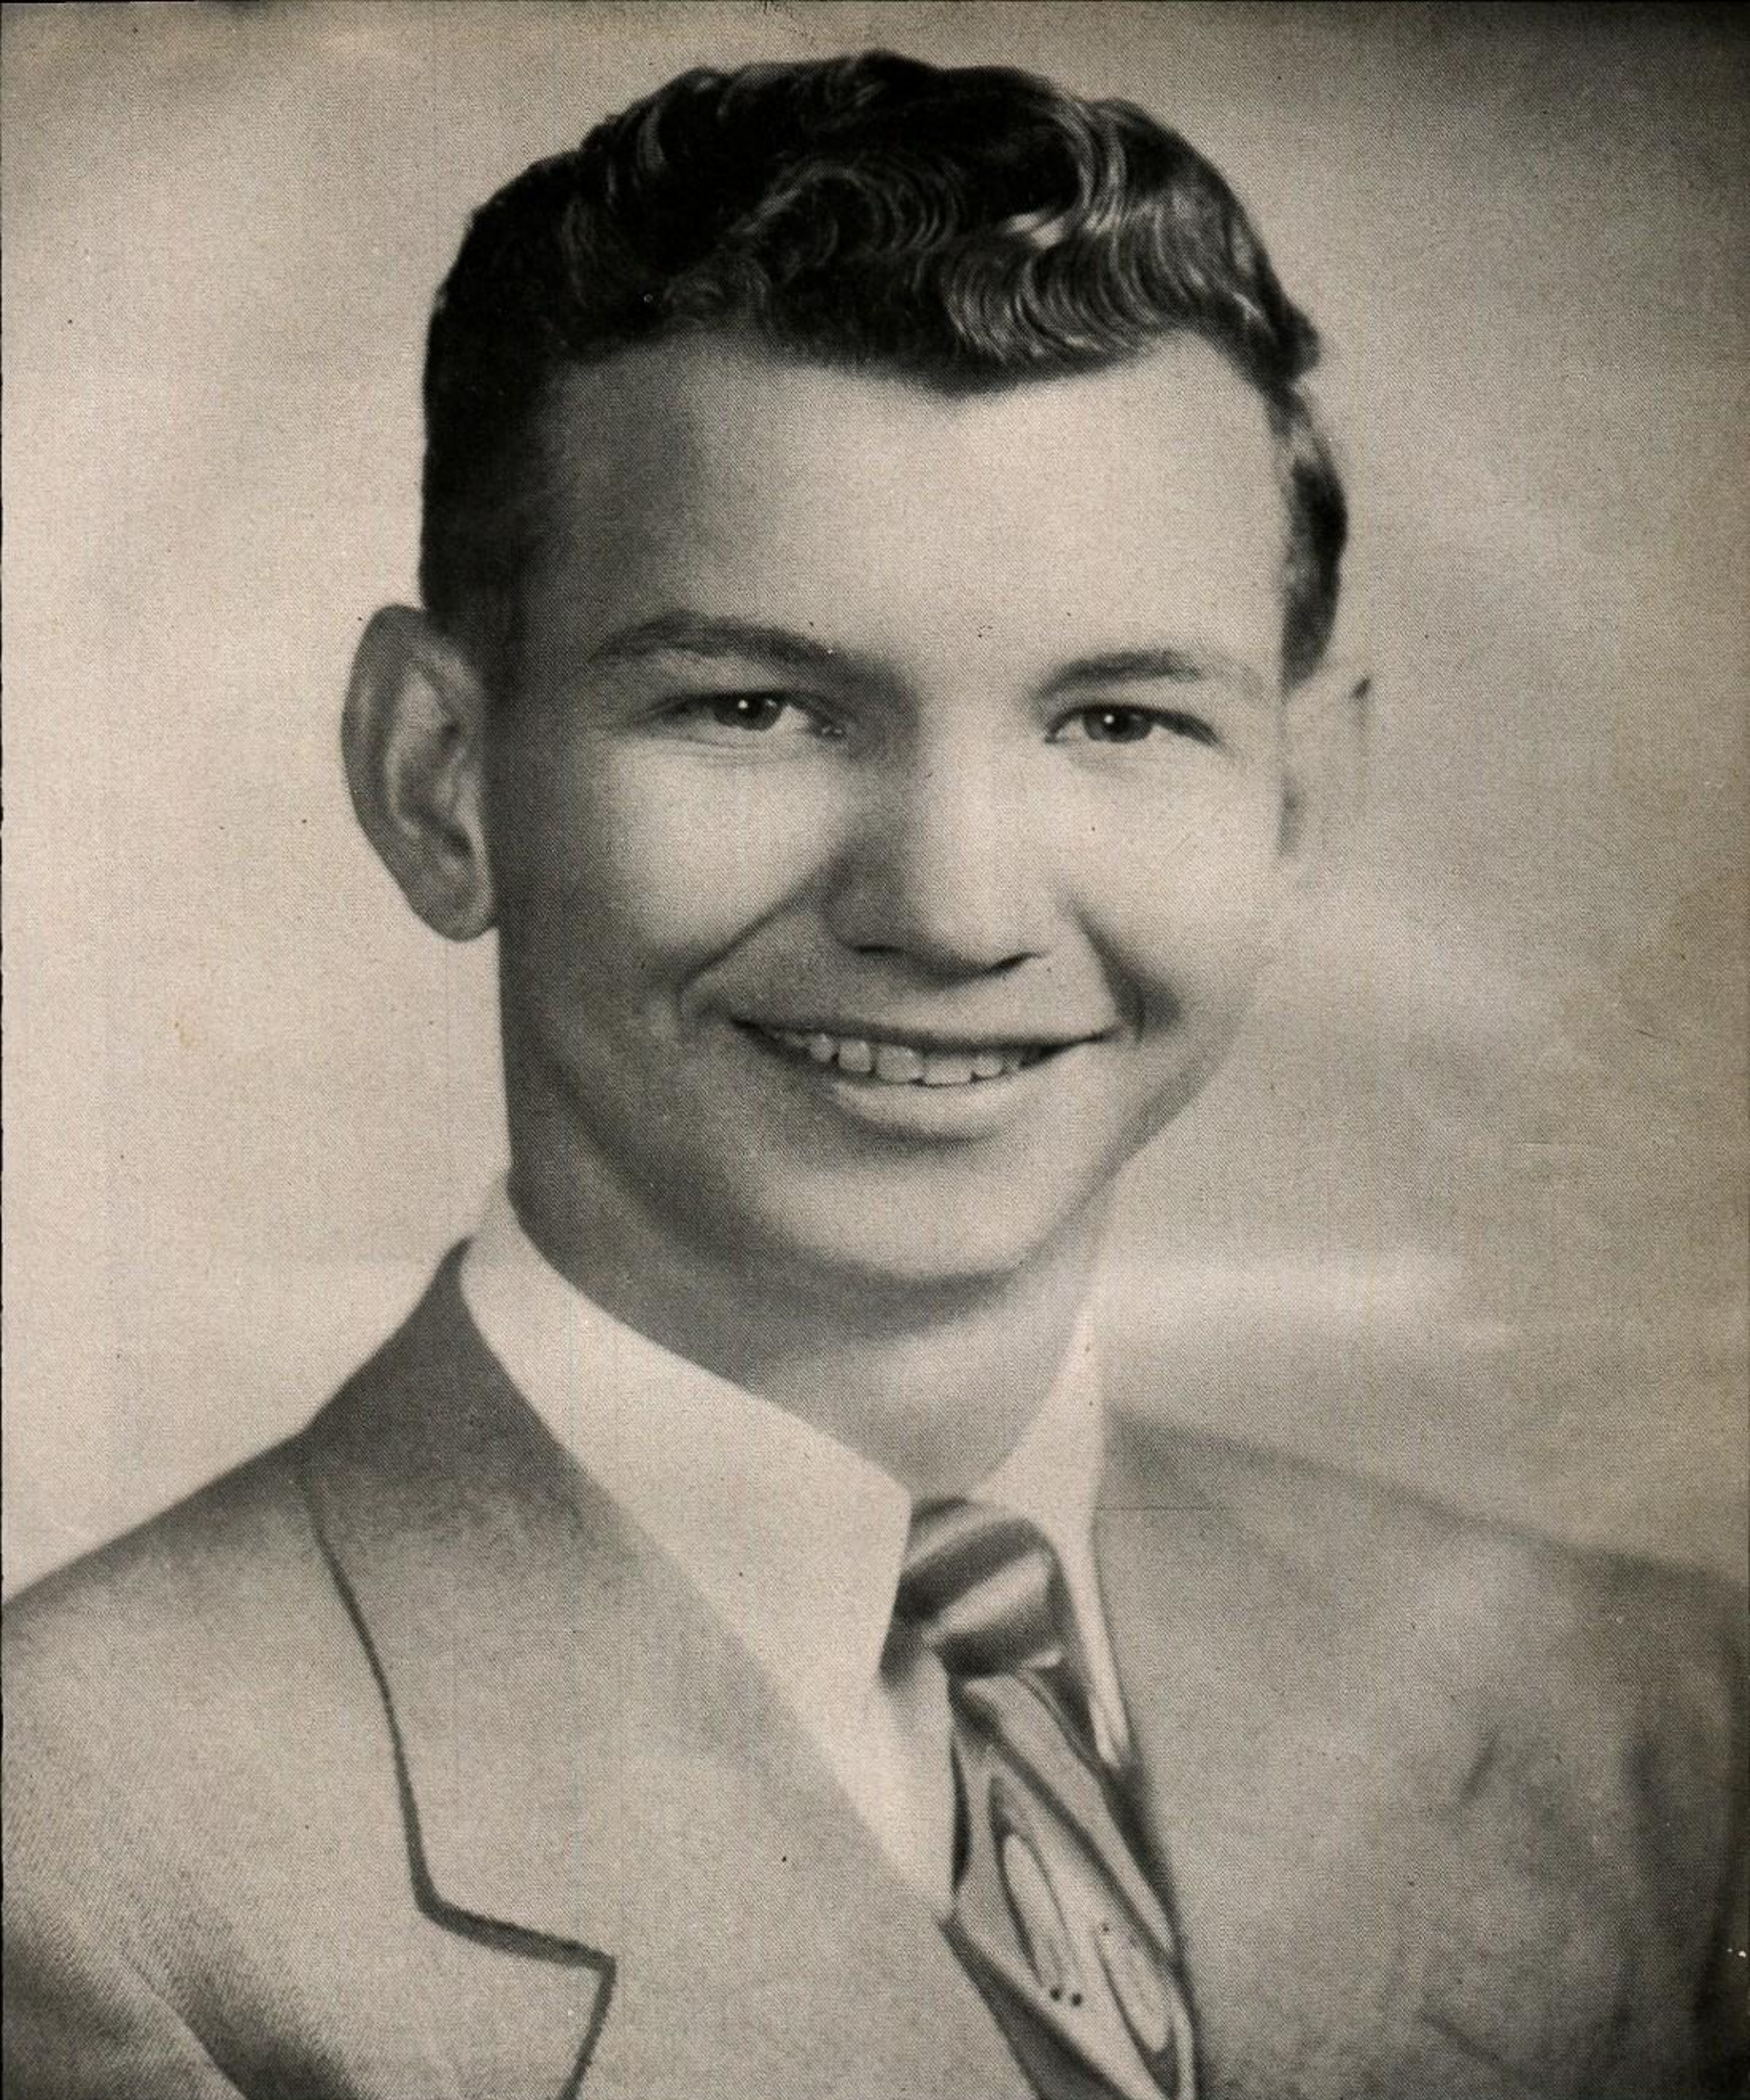

This year we have two boys who have made application for State Farmer. This honor is the highest for an F.F.A. boy in the State. Our two candidates were J. D. Barnett and Bob Robinson. Both boys own over \$3,000.00 worth of livestock individually and have made labor incomes from their supervised farming programs exceeding \$2,000.00. They have both been outstanding leaders in F.F.A. and rank high scholastically among their other subjects in school. J. D. is now serving as President of F.F.A. in the N.W. Dist. Both boys plan to continue their farming operations after finishing High School.

This year our Chapter has presented 3 radio broadcasts and 4 Civic Club programs since school started. We have held a greenhand initiation and achievement program for 17 freshmen boys. Co-operated in beautifying the school grounds and raised approximately \$1,000.00 as a group to carry on our work in the Chapter. We feel we have had a very satisfactory year and hope to accomplish more next year for our Chapter and School.
